The Olympics

What will be the improvements to transport in London?

How much are the Olympic Games going to cost Londoners?

Will it get more people interested in sport?

Will it help local sports or only sports stars?

How many people will get jobs?

What will be the environmental effect?

Will it be a terrorist threat?

Will we do a good job or is there a chance it will go badly like some other London projects?

Will it help us to be proud of London?

Will it help local businesses?

Are there other cities that deserve it more?

Will it show London in a good light around the world?

What will the stadiums be used for after the games?

Is our weather suitable for the Olympics?

What have been the effects of hosting the Olympics on other cities?

Will the Olympic Games affect the whole country or just London?

Is it a positive or negative thing to have so many tourists visiting East London?

Remember: we are also hosting the Paralympic Games and launching a Cultural Olympiad.
